

# INSIDE THE ENQUIRER'S LOCAL INFORMATION CENTER

— Our changing world and how it affects you —

The Enquirer's Editor and Vice President of Content and Audience Development, Tom Callinan, and other editors will speak about changes inside the newsroom and the way the Enquirer and its Web site look at its evolving role in the community as a facilitator of conversation as well as a news source. From the Data Center to the breaking news team, community conversation, Enquirer video and new publications, we are responding to the 24/7 demand for news. What does this mean for those who deal with the media daily? Join a conversation with your colleagues. Lunch will be provided.

**WHEN:** Tuesday, August 14

**REGISTRATION AND LUNCH:** 11:30 a.m. The program begins at 12:15 and will end by 1:30.
